

# TAPESTRY – YOUR CHILD'S LEARNING JOURNAL

## WHAT IS TAPESTRY?

by Tiny Tribes

When your child is at nursery, I'm sure you want to know what they're up to! We're always happy for a phone call and a chat; or we can talk to you at the end of the day as normal, but wouldn't it be better to receive a notification and see a picture or video of what they're up to?

With Tapestry, you can do just that! Check it on your phone, see what messy play they've been doing or the time they've been spending with their key-worker. Better yet, take some snaps of what you've been up to on the weekend and we'll see it on our side of Tapestry - we can talk about it at show & tell!

We use Tapestry to make sure your child is achieving their goals and next steps with the EYFS, so we've been making observations since your child started! If you don't know about Tapestry, grab a glass of wine, put your feet up on the sofa and have a look on your smart-phone, tablet or laptop.

## WANT TO KNOW MORE?

Some of our observations will be very professional, some of them will be about the funny faces we can pull in the camera and some will just be the children (and most likely the staff) singing their favourite songs - we like it because it gives you a lovely insight into what we do here, everyday.

We've also noticed a lot of schools starting to use Tapestry, we can transfer all of the information from here, to there, with a few clicks!

*Did you know,  
you can  
comment on our  
observations,  
like you would  
on Facebook?*

If you have a laptop, smart phone, tablet or PC - you can connect easily and quickly by following the links we give you.

Tapestry is secure, we all have our own individual passwords and logins to use so not to worry.

The sign up process is also very easy, all you need to do is send an email to [office@tinytribes.co.uk](mailto:office@tinytribes.co.uk) with your name, your child's name, and we'll do the rest!

Sign up today and let us know the silly things you get up to on the weekend and moments you share together.

*If you have any questions, don't hesitate to ask a member of a staff*
